EDUCATION

Bharat College of Engineering, University of Mumbai
Bachelor of Engineering in Artificial Intelligence & Machine Learning

Mumbai, India
Expected 2027

PROJECTS

Customer Churn Prediction | *Python, XGBoost, scikit-learn, Streamlit, FastAPI, Docker, AWS* 2026

- Engineered an XGBoost churn-prediction pipeline on the IBM Telco dataset (0.83 ROC-AUC) with leak-aware preprocessing, `RandomizedSearchCV` hyperparameter tuning, and SHAP-based explainability
- Deployed the pipeline as a stateless FastAPI REST service; containerized with Docker, published to ECR, and hosted on EC2 with structured logging and API-key authentication
- Automated testing and deployment with a GitHub Actions CI/CD pipeline (test → build → push to ECR); resolved a CI-only `PYTHONPATH` import failure
- Resolved production-grade issues spanning model serialization/version mismatches and train/serve feature-schema drift

InsightSwarm | *Python, LangGraph, FastAPI, React, Multi-Agent Systems* 2026

- Co-designed and directed development of a multi-agent adversarial fact-checking system: LLM agents debate a claim in real time while a verifier fetches and scores cited sources
- First author on a paper published in IJRASET; benchmarked on FEVER against a zero-shot LLM baseline (F1 0.81 vs. 0.68, hallucination rate under 3%)
- Specified the system's hallucination-detection and adaptive confidence-calibration mechanisms, later validated in evaluation

PUBLICATIONS

Devadiga, A., Ghawali, B., Gawas, S., Gawali, M., Gujar, S. *InsightSwarm: A Multi-Agent Adversarial Framework for Automated Fact-Checking with Real-Time Source Verification, Human-in-the-Loop Oversight, and Adaptive Confidence Calibration*. International Journal for Research in Applied Science and Engineering Technology (IJRASET), 2026.

TECHNICAL SKILLS

Languages: Python, SQL

ML/DL: XGBoost, PyTorch, scikit-learn, SHAP, Pandas, NumPy

Frameworks & Tools: FastAPI, Streamlit, LangGraph, Docker, Git

Cloud/DevOps: AWS (EC2, ECR, IAM), GitHub Actions (CI/CD), Oracle Cloud Infrastructure

CERTIFICATIONS

Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate

Oracle Cloud Infrastructure 2025 Certified Generative AI Professional
